(4) The Registrar states that a Cadiz for scheming men who are heavily indebted first suggested the proposal of starting a Bank Cooperative Society which would put an end to all such.

(5) He further states that a few societies have been started recently in the Bonnali & Shikarpur Tks apparently for the purpose of relieving rural indebtedness complained of in the petn.

(6) This should have such requirements if any existed in reality.

Submitted to His Highness.

23 These papers relate to one of the petitions presented during His Highness's tour in the Malnad in December 1912, by certain ryots of Sagar, Nagar and Shikaripur Taluks, praying for the establishment of a Bank for agricultural purposes. The Registrar of Co-operative Societies whose opinion was called for, stat that the District of Shimoga has not responded to the co-operative movement and that it is undesirable to force the system on unwilling people. He adds that a few Co-operative Societies have been started recently, and if they show signs of progress, others may be esta-blished. It is however considered inexpedient to start an Agricultural Bank.

2. The petitioners will, if approved, be inform-ordingly.

Dated Bangalore. 28th July 1913.

Registrar of Co-operative Societies in Mysore,

To

K.R. Srinivasa Iyengar, Esq., M.A.,
Secretary to the Government of His Highness the
Maharaja of Mysore, General and Revenue
Departments, B a n g a l o r e.

Sir,

I have the honor to acknowledge the receipt of your letter No. Fl.212/B. 2-13-1 of the 9th instant inviting my attention to correspondence ending with Fl.4448 dated the 7th February 1913 and requesting a report of the action taken by me in the matter.

The correspondence began with an Office Memorandum No. Fl.415/B.15-10 dated the 29th July 1911 forwarding a petition from one Vira Parameswaraiya and four others of the Sagar Taluk praying for a loan of Rs.25,000/-, and asking me to consider whether a Co-operative Society might be established at Sagar. The matter was duly considered and from the enquiries made through the Amildar of the Taluk, it was ascertained that the petitioners were heavily involved, that they did not care for any Co-operative Society to be established

established at Sagar and thal all they desired was to procure a loan of Rs.25,000/- at little or no interest, to tide over their insolvent condition. The petitioners could only ruin the best of well-established Societies by being taken in as members, and as such, they were hardly the material on which a new Society could be based. The matter was therefore dropped and no reply was sent to the Government, as none was asked.

3. The next reference on the subject was sent to this office as an Office Memorandum No.Fl.4448/B.2-12-18 dated the 7th February 1913 sending a petition for needful action. It is only signed by a solitary individual Veenappa of the Shikarpur Taluk, and does not bear any evidence of having emanated from more than one person, much less the ryots of Sagar, Nagar and Shikarpur Taluks. It complains against the exhorbitant rates of interest and usury prevailing in the Malnad and requests the establishment of a Bank.

4. The Shimoga District has not responded with any degree of warmth to the active propaganda about Co-operation that is going on in the State these two years, and any forcing of its growth will only lead to undesirable results. During the months of May and June last, one of my Inspectors, S. Venkata-Ramaiya toured in the Taluks of Honnali and Shikarpur, and with the active and zealous Co-operation of Mr. A.V. Ramanathan, the Revenue Sub-Divisional Officer, was able to start a few Co-operative Societies. If these shew signs of progress, it may be possible to start other Societies in the District.

I have the honor to be,
Sir,
Your most obedient servant,

M. A. Narayana Gowda.
